

Thank you for supporting
the Wildwood Trails.

The walking and skiing trails (separate systems) you are enjoying are possible because of a partnership between St. Johns Ravenscourt School, The Wildewood Club and the Wildwood Community Centre.

It costs around **\$3500** per year to maintain the grooming of these tracks. Currently, costs are shared between the Wildwood Community Centre and St. Johns Ravenscourt School.

You can help. Please make a **tax-deductible donation** to the Wildwood Community Centre. The City of Winnipeg will issue you a tax receipt. Drop off or mail your donation using the addressed envelope provided.

Your generous donation will help us to groom more often, making your ski or walk more pleasant. Fill out the form on the facing page to ensure you get a tax receipt.
